Tc electronic ditto looper x2 manual user manual

Tc electronic ditto x2 looper review. Tc electronic ditto looper x2 manual. Tc electronic ditto looper x2.

14. These limits are designed to provide reasonable protection against harmful interference in residential installations. Introduction About this manual Introduction This manual will help you learn understanding and operating your TC product. 8. Creating loops Creating loops Recording your first loop Overdubbing Redo (restoring a previously cleared take) Important: On the following pages, operation is described based on the default operation mode of Ditto X2 Looper (Record loop > Playback > Record overdubs). Store / Delete / Backing track level switch 108. The wide blade or the third prong is provided for your safety. Switching the effect(s) off will return playback to the previous, "dry" state. There are two ways to do this. Never let a great loop go to waste! If you have created a really great loop (e.g. a song idea or a beautiful riff), you may want to reuse it. Storing, importing and exporting loops Importing loops into Ditto X2 Looper from a computer Importing MP3 files to Ditto X2 Looper Balancing backing track and current loop levels Did you find (or create) an insanely great song that you would like to use on stage as a backing track? 5. 13. Unplug this apparatus during lightning storms or when unused for long periods of time. Two time-based effects are available: "Reverse" and "Half Speed". Using effects Effects, playback and recording Recording with the Half Speed effect Recording with the Reverse effect When you have recorded a loop and you switch to playback, activating one or both time-based effects in Ditto X2 Looper will apply them "nondestructively". What you have recorded will be played back in reverse and/or at half speed. "Record loop > Record overdubs > Play") Looping means creating music in real-time. Do not defeat the safety purpose of the polarized or grounding-type plug. 3. Storing, importing and exporting loops Storing, importing and exporting loops Current (in-memory) loop vs. Well, with Ditto X2 Looper, you can - without having to schlep your notebook on stage. 9. This gives you the flexibility to add parts with or without signal processing by simply switching effects on and off as required. Setup examples Setup example 4: Dual amp setup Got two amps? Do not block any ventilation openings. 11. Keep these instructions. This is why we give you the opportunity to choose your preferred method. Do not block any ventilation openings. 10. Heed all warnings. Keep these instructions. You can also use an alternative operation mode. For other setups, see "Setup examples" on page 5. Press a footswitch to start recording. This will allow you to create and record different sounds within the same looping session simply by switching your effects on and off. Setup examples Setup example 3: Ditto X2 Looper in an FX loop If you are using an amp equipped with an FX loop, place your modulation effects and Ditto X2 Looper in that FX loop. 3. LOOP footswitch and LED 8 7 4 6 5 1. Audio inputs 103. But one guy's "intuitive" is another guy's "weird". Use only with a cart, stand, tripod, bracket, or table specified by the manufacturer, or sold with the apparatus. Press it again to switch to playback. 7. of overdubs: Unlimited Bypass mode: True Bypass Latency: None (analog dry-through) Dimensions (Width x depth x height): 135 mm x 113 mm x 54 mm / 5.31" x 4.44" x 2.13 Weight: 512 g / 1.13 lbs. Ditto X2 Looper English Manual 24 Page 2 Important safety instructions Ditto X2 Looper English Manual 1 Important safety instructions 1. Audio outputs This pedal has two standard 1/4" jack (mono/TS) outputs for stereo operation. 8. If the provided plug does not fit into your outlet, consult an electrician for replacement of the obsolete outlet. Read these instructions. Do not install near any heat sources such as radiators, heat registers, stoves, or other apparatus (including amplifiers) that produce heat. Do not install near any heat sources such as radiators, heat registers, stoves, or other apparatus (including amplifiers) that produce heat. Explanation of graphic symbols EMC / EMI Electromagnetic compatibility / Electromagnetic interference This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC rules. Feed'em! Stereo effect pedals Drive pedal Combos Ditto X2 Looper English Manual 8 Setup examples Setup example 5: Dual mono with two instruments As they say: Two can play! Share the love (i.e., your Ditto) with another guitar (or bass) player. Inputs, outputs, controls Inputs, outputs, controls 1 3 9 2 3. 7. Only use attachments/accessories specified by the manufacturer. Clean only with a dry cloth. Applying effects to your Ditto X2 loops is easy. Some musicians prefer this workflow: 1. A grounding-type plug has two blades and a third grounding prong. When you power down Ditto X2 Looper and there is still a loop in memory, this loop will be available even after you power down the device. Storing, importing and exporting loops Exporting Ditto X2 Looper loops to a computer About audio formats Ditto X2 Looper saves audio files in 32 bit floating point format. If you are in a hurry, chances are you'll find what you're looking for in this overview. Setup examples Setup examples Setup example 1: Basic looping - no effects This is the most basic mono setup: your instrument, Ditto X2 Looper and your amp. Setup examples Setup example 2: Ditto X2 Looper and effects Place your effects before Ditto X2 Looper. 8. 12. You need to have (or register) a free Jam Track Central account to access your free tracks. This is the usual, "conventional" way of using effects. Frequently asked questions Bypass modes Frequently asked questions Here at TC, we have a simply philosophy: When you are using one of our products, you should hear something great - and if you don't, you shouldn't hear it at all. Ditto X2 Looper is the logical heir to the looping throne after the smash hit Ditto Looper. Read these instructions. Audio outputs 104. 2. USB port 10 Creating loops 11 Storing, importing and exporting loops 14 Jam Track Central tracks 17 Using effects 18 Bypass modes 20 Frequently asked questions 20 Footswitch LED state reference 21 Updating the firmware 22 Changing the batteries 22 Technical specifications 23 Getting support 23 Product Ditto X2 Looper Product (firmware) version 1.0 Document English Manual Document version / date 2014-01-16 Page 4 Ditto X2 Looper English Manual 24 All you have to do is transfer your backing track or base loop from your computer to Ditto X2 Looper using a USB connection. Jam Track Central tracks Jam Track Central tracks Downloading your free Jam Track Central tracks We know, we know: Playing with yourself is fun. It houses all the features that made the original Ditto Looper such a runaway hit - and then some! This manual is only available as a PDF download from the TC Electronic website. Setup Setup Ready... Set... Let's get loopin'! The Ditto X2 Looper box should contain the following items: - Connect a 9V power supply delivering a minimum of 150 mA with the following symbol to the DC input socket of Ditto X2 Looper. When a cart is used, use caution when moving the cart/apparatus combination to avoid injury from tip-over. Loop / backing track level control knob 107. Do not use this apparatus near water. This process should be fun and intuitive. FX footswitch and LED 106. Follow all instructions. If the next device in the signal chain is mono, connect it to the MONO output. Again: To get the most out of your setup, place Ditto X2 Looper at the end of the FX loop. Refer all servicing to qualified service personnel. Protect the power cord from being walked on or pinched, particularly at plugs, convenience receptacles, and the point where they exit from the apparatus. Power input Use this footswitch to control all loop-related functions of the pedal (record, playback, undo/redo, clear). 5. - Enter your Ditto X2 Looper's serial number. Using effects Using effects Combining Reverse and Half Speed effects What's even more fun than working with loops? LOOP footswitch and LED 105. Heed all warnings. Servicing is required when the apparatus has been damaged in any way, such as power-supply cord or plug is damaged, liquid has been spilled or objects have fallen into the apparatus, the apparatus has been exposed to rain or moisture, does not operate normally, or has been dropped. Caution! You are cautioned that any change or modification not expressly approved in this manual could void your authority to operate this equipment. Service- All service must be performed by qualified personnel. Warning- To reduce the risk of fire or electric shock, do not expose this apparatus to rain or moisture and objects filled with liquids, such as vases, should not be placed on this apparatus. - Do not install this device in a confined space. Page 3 Ditto X2 Looper English Manual Important safety instructions 1 EMC / EMI 2 Explanation of graphic symbols 2 About this manual 3 Introduction 3 Setup 4 Setup examples 5 Inputs, outputs, controls 101. Do not use this apparatus near water. FX selector switch 109. Download the newest firmware from the "Support" page for your TC pedal. Getting support Technical specifications Getting support - - - - - If you still have questions about the product after reading this manual, please get in touch with TC Support: - - - - - Maximum loop length: 5 minutes Maximum no. English Manual Ditto X2 Looper Important safety instructions 1 Creating loops 11 EMC / EMI 2 Storing, importing and exporting loops 14 Explanation of graphic symbols 2 Jam Track Central tracks 17 About this manual 3 Using effects 18 Introduction 3 Bypass modes 20 Setup 4 Frequently asked questions 20 Setup examples 5 Footswitch LED state reference 21 Updating the firmware 22 Changing the batteries 22 Technical specifications 23 Getting support 23 Inputs, outputs, controls 1. 6. 3. If your DAW does not support this AIFF/WAV "flavor" - or if it doesn't support AIFF or WAV at all - you will have to convert the files coming from Ditto X2 Looper to a supported format. 4. A polarized plug has two blades with one wider than the other. Updating your TC pedal's firmware requires... - a computer running Microsoft Windows or OS X with a standard USB interface - the specified DC power supply for your pedal. When you're happy with your original loop, you can start overdubbing. Creating loops Stopping loop playback / recording Stopping loop playback / recording and deleting the loop/backing track Deleting the loop when you are not recording or playing back To stop loop playback, press the LOOP footswitch twice in short succession. This is why this pedal sports True Bypass. When it is bypassed, it is really off and has zero influence on your tone, resulting in optimum clarity and zero loss of high end. Footswitch LED state reference Footswitch LED state reference Use this section as a reference when you are not sure what the current LED status means. Changing the batteries Updating the firmware TC may provide updates for the built-in software of your pedal, the firmware. Power input 102. Clean only with a dry cloth. Preparing the firmware update 1. Follow all instructions. Just press the FX footswitch to apply an effect. Install in accordance with the manufacturer's instructions. 2. 4. Power input 2. Important safety instructions Important safety instructions 1. You can also scan the QR code on your Ditto X2 Looper product box with your smartphone. To stop loop playback/recording and delete everything you have recorded, press the LOOP footswitch twice in short succession and hold down your foot on the second tap. Creating loops Setting operation mode ("Record loop > Playback > Record" overdubs vs. stored loop (backing track) Current loop stays in memory USB operation vs. looping Ditto X2 Looper is very flexible when it comes to recording, importing and exporting audio loops. See "Creating loops" on page 11. But how about spicing things up a bit with some top-notch backing tracks? - Go to jamtrackcentral.com/promo/dittox2. 6. In-stall in accordance with the manufacturer's instructions. See "Setting operation mode" (page 13). Using time-based effects to spice things up! You can apply both effects to a loop and switch them on and off independently. 9.

Password requirements: 6 to 30 characters long; ASCII characters only (characters found on a standard US keyboard); must contain at least 4 different symbols; TC Electronic EQ Effects Pedal, (000-DE902-00010) 4.5 out of 5 stars 2,025. 11 offers from \$196.90. TC Electronic DITTO LOOPER X2 (000-DE800-00010) ... It's also not the most user friendly unit to use. A read through the manual and a few hours of tinkering and you can figure it out ...
